3.1 Race Schedule for 2019

W Reese asked the members to first have a few discussions to get a feel what the members want to have for the 2019 Schedule. This was discussed at length with many suggestions.

Discussion to remove the Jondaryan as it was too close to the range. A few members felt that we should have the Jondaryan as we have had bad experiences in the past. Discussion to race Charleville and Morven on the first series. A few members felt this would extend the season to long. L Vanderlinde asked the question why we have a 5 Bird ladies race and that the 3 x 5 Birders this year were sufficient. L Vanderlende moved that we keep it 3 x 5 Birders race them on the two Morven's & Charleville, second R Hatherly. **Carried**

The last race was discussed at length and C Porter moved a motion that we race a Quilpie with Windorah on the last weekend, second K Butters. **Carried**

K Butters raised the issue that the Rotavirus keeps changing the schedule and felt we need to stick to the schedule. This was discussed at length with some few that we should notify everyone as soon as anyone has the Rotavirus. Another few was that we should let the members decide at a special general meeting before we change the schedule.

There were no other motions and the president asked for a motion that we will accept the schedule with the changes for 2019 moved by B Larson, second B Snyman. **Carried.**
