The Lismore Racing Pigeon Club has a small number of race crates the same as the original QRPF race crates (fit the trailer) that they are prepared to sell for \$80 each. Moved P Spalding second R Slack that we purchase these crates. Carried. H Graham raised the issue of having to travel to the Hatherly building to collect next weekend's race crates, because of the lack of sufficient crates, and has agreed to obtain a quote for the manufacture of additional crates.

**Race Schedule for 2019:**

The meeting discussed the proposed race schedule for 2019 on the West route. Some issues were raised with the first two release sites Jondaryan & Dalby and the 5 bird races. Moved R Slack seconded R Walker that we present the proposed race schedule to the members at the October meeting for ratification. Carried (see attached copy)

**Transporter:**

One of the head lights failed and a slight leak from the water tank hose was reported by our driver and have been repaired. It has been confirmed that basketing for Mackay will take place as scheduled on Thursday evening 13<sup>th</sup> September.

**Benzing Live:**

J Sheldrick sought approval for the use of Benzing Live in QRPF races. This matter needs approval of the members at the AGM and it is suggested an information sheet needs to be prepared for consideration at the AGM.

**Release at Marlborough:**

D Nester queried the release of the Marlborough birds at 6.35am. The President explained that the release time was placed in the hands of the liberator to access when there was sufficient light for a release (after sunrise) and that they needed to go up early as practical to cater for the 3 separate releases on that day.

**Committee Decision making process:**

The committee discussed at length the process for making changes to the race schedule when it's considered necessary because of possible bad weather and a set of guidelines were agreed to. All members of the committee need to have input in making these decisions.

**Meeting closed 8.55pm. Next meeting Monday evening 1<sup>st</sup> October 2018.**
