Sunday 21st March 2010

Viewing from 9am

Sale starts 11am sharp

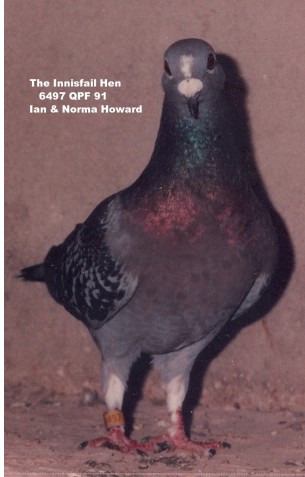

QPF Shed (Gun Club)

1485 Old Cleveland Rd Belmont

Auctioneer: Ron Spragg

Preface

With the passing of Ian on the 1st February 2010 the partnership of Ian & Norma Howard has come to a close and all things to do with racing pigeons are to be disposed of prior to the selling of the family home. Ian started keeping racing pigeons in 1938 when he was just 14 years old. Over the next 72 years he put together a team of racing pigeons from all the best of Brisbane's long distance flyers (the old Brisbane Blood). Names like Ted Chester (Uncle Sam), Vic Fletcher (Old Boy, Combat), C (Honey) Carmichael, Martin Curley, Ron Scott (Balfe Harrison), C Woodforth, O'Toole Brothers, Bill Cundy, Noel Randall and more all bred birds that one time or another were in Ian & Norma Howard's loft.

Their performances over the years, particularly in the long distance races speak for themselves. Perhaps one of their greatest performances at extreme distance racing was clocking in the winner from Innisfail in 1993, a distance of over 800 miles to their loft. This beautiful dark chequer hen was still alive in the loft up until last year and many of her progeny are available in this sale. Even in Ian's twilight years the quality of the birds was still evident with Ian & Norma winning three club races last season including the longest race of the year from Townsville, taking 3rd Section & 8th Open Fed in this race as well.

Unfortunately over the last few years record keeping was not a priority and limited information is available on the breeding and performance of some of the birds.

The Howard family would like to wish purchases of these birds the best of luck and hope they bring to your loft the success and enjoyment that they have enjoyed over many years.

Lot 1 6897 QPF 99 Blue Cheq Hen

Lot 2 18869 QPF 96 Blue Cheq Hen placed 4th Sect Fed Charleville Nat and dam of two long distances placegetters in this sale
