Ref. Birds Harrisons.

Pharlap, Black Cheq Cock, famous Harrison Cock won three Federations in four weeks all hard days.

His son won 1st Tasmanian Fed and should have really won twice being missed trapping the second time.

Gladstone Hen down from famous 50 x 544 Harrisons from O'Brien Sydney. Gladstone Hen's sister, the very good tick eye smokey chequer hen. The Mosaic Hen, the Gravel Eyed Hen, to name but a few birds that were bred from this famous pair. F. Williams 500 mile winners off the Gladstone Hen.

The Late C. Latchford purchased the famous Harrison's from R. Head & Harrison of Oakamoor, England and the stock of Max Foy & Jack Ling who was Max Foy's loft manager when Foy imported the Harrisons.

This diary is now in my possession. They have bred hundreds of Fed birds for fanciers all over Australia.
