Special General Meeting

31st October 2020

A meeting of the members was held on the above date at the Rod Hatherly building headquarters to approve a race schedule for 2021.

Opened: 10.10AM

Present: As per attendance sheet 48 members.

Apologies: Nil

The President opened the meeting and presented the race schedule for the North route that was approved by the management committee. He also outlined an alternative schedule that could be considered to perhaps keep more members flying each year.

The alternative schedule would see races alternating between the current North route and race points to the North West. It would also need the members to change the current flying rules because the alternative schedule is a straight through series of races.

Discussion followed both for and against the alternative schedule.

Moved R Midgley seconded **P Gridley** that the QRPF fly the usual North route in 2021 and not the alternative proposal. Carried with a clear majority.

K Butters raised the naming of the Young Bird National takes away from the National that is held two weeks later. An alternative name is to be sought.

C Porter raised the issue that if changes to the race schedule are necessary the gap between basketing and the race day stay the same.

Moved J Profke seconded **R Midgley** that the Race Schedule for the North presented by the management committee is accepted for 2021. Carried.

Meeting closed 11am.

The trophy presentation then took place.
