W Reese opened the meeting at 7.05 PM and welcomed everyone to the Special General Meeting and outlined the situation. Management committee has removed NCPC from 4th September Morven fed race for breach of QRPF flying rules.

## **Agenda**

Appeal of K Malone & B Holloway results to be re-instated for the 4<sup>th</sup> September Morven Fed results.

## **2. Apologies**

## **3 Special Businesses**

The president W Reese requested K Malone to put forward his Case. K Malone outlined that NCPC were not made aware of any wrong doing and were disqualified without giving them a chance to state their case. Also the management committee did not follow the appeal process and the Special General meeting was not lawful.

J Caruana asked K Malone if we should disperse from this Special General meeting as it was not lawful. K Malone wanted a verdict from the meeting.

The president W Reese requested B Holloway to put forward his case. B Holloway was not present and L Vanderlinde presented B Holloway case with a statement that the NCPC as a club were at fault and not B Holloway. L Vanderlinde stated that it's not B Holloway responsibility to ensure the QRPF rules are followed and feel the management committee to punish the NCP Club.

C MacDonald stated that on the first series race from Morven there was not enough members at NCPC and B Holloway proceeded to MIRPC to basket & Clock read.

W Reese called for a show of hands that supports K Malone & B Holloway appeal for the results to be re-instate for Morven fed race. The vote was 9 in favour and 14 against. This means that K Malone & B Holloway appeal was unsuccessful and the Management committee ruling on 12 September stands. **Carried.**
