### **8.1 NRC Letter**

NRC requested if both organisations were in favour of releasing Mackay, St Lawrence and the last two from Bowen & Townsville. Also requested if QRPF took the Townsville birds and NRC took the Bowen bird we would be able to release both races on the same day never done before. The management committee feels it is too early in the season and will look at the options that NRC have proposed at later date. The management committee did feel it would be far more cost saving to both organisations if we used one transporter on the last releases.
