

Racing Pigeon Auction

Nev “Nifty” Jeffries

Complete dispersal of all stock, race birds
and loft equipment

Sunday 9th March 2025

Wynnum Manly Pigeon Club

1485 Old Cleveland Rd, Belmont

For further information please contact:

Len Vanderlinde 0416 550 503

Viewing from 9am sale starts 11am

Preface

Following the sad passing of Nifty all his pigeons including race and stock birds must be sold, as well as all loft equipment and his Tauris timing clock.

The lofts and some very good breeding pens will also be available but need to be picked up from his property at Warwick. Details of these sales will be provided at a later date.

No pigeons have been removed from this loft prior to this auction, but because of sheer numbers many of the pigeons over 8 year old have been culled just prior to producing this catalogue to reduce the number to a manageable level for this auction.

Additionally a number of pigeons have been deliberately left out of this catalogue because of insufficient information on their origin and breeding.

There will be no reserve placed on any bird and all birds must be sold.

All stock were successfully breeding during last breeding season but no guarantees can be given.

Nifty has a fine collection of pigeons, particularly the old Balfe Harrison hard day pigeons that he cherished and maintained all his life.

When the races are long and hard and its gone well into the second day, these are the pigeons you need and Nifty was always keen on doing well in these type of races.

In 2021 he clocked-in on the second morning from Charters Towers 1071 klms @ 1066mpm 16h:44m on the wing and won by the Fed 31 minutes.

That Balfe Harrison hen is in this sale!

Nifty clocked a son of the above Balfe hen late on the second day in a hard Windorah Fed 978klms for 4th place @ 702mpm in 2023.

That cock is also in this sale!

Another line that Nifty maintained was the old Jurion blood, which can be found in some of the best of the South Australian Alice Springs pigeons.

Nifty was placed 6th from Noccundra 924klms in 2022 clocking on the second morning with one of these Jurion pigeons, and that pigeon is also in this sale.

The information in this catalogue has been put together using Nifty's breeding books, those books will be available at the sale if anyone wants to check any of the information.

The family wish all buyers the best of luck with their purchases.

Hens
